

“Yamagata Dantsu” Carpet Display at Japan Creative Centre

■ Purpose

Yamagata Prefecture has nurtured a number of industries and high technology amidst its rich natural environment and long history. To this day, Yamagata still possesses the highest level of technology in the carpet making industry..

We are pleased to introduce Yamagata’s high quality carpets produced with the best technology in Japan with the cooperation from the Embassy of Japan in Singapore. These exhibits have been made by the same exclusive manufacturer of carpets for The Imperial Palace and Fukiage Omiya Palace, State Guest House, Vatican Palaces and Kabukiza Theatre.

■ Exhibition Period

February 10th, 2015 (Tues) to March 10th (Tues)

※ Closed on weekends and public holidays

■ Venue

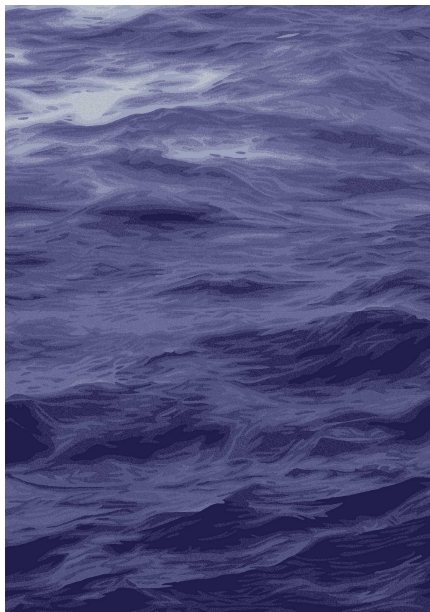

Japan Creative Centre, Embassy of Japan in Singapore

4 Nassim Road Singapore 258372

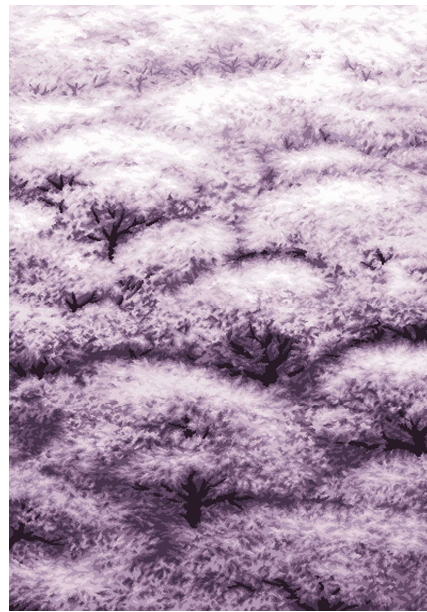

■ Exhibit

The following two tapestries designed by famous industrial designer, Ken Okuyama

① UMI

② SAKURA
