

# JAPAN GOOD DESIGN

## JAPAN CREATIVE CENTRE, SINGAPORE OPENING EXHIBITION

Japan Creative Centre is happy to present its opening event, the Japan Good Design Exhibition. Featured in this exhibition, rarely seen outside of Japan, are specially selected products which range from robots, furniture, electronic gadgets and everyday items that have been conferred the G-Mark Good Design Award. Nominees for this award are showcased in the Good Design Expo in Japan, which attracts an annual average of 40,000 visitors. This exhibition produced by renowned industrial designer, Toshiyuki Kita, is held at Japan Creative Centre, specially designed to incorporate current Japanese design ideals, creating authentic experiences for the visitor. Get inspired by the impact of extraordinary Japanese design on the quality, enjoyment and appreciation of life.

# OPENING EXHIBITION “JAPAN GOOD DESIGN”

## ABOUT THE EXHIBITION

Japan Creative Centre is happy to present its opening event, the Japan Good Design Exhibition. Featured in this exhibition, rarely seen outside of Japan, are specially selected products which range from robots, furniture, electronic goods and everyday items that have been conferred the G-Mark Good Design Award. Nominees for this award are showcased in the Good Design Expo in Japan which attracts an annual average of 40,000 visitors. It is exciting to see familiar items in a new light, and not-so-familiar items for the first time. Get inspired by the impact of design on the quality, enjoyment and appreciation of life!

This exhibition is held at Japan Creative Centre, which has been specially designed to incorporate current Japanese design ideals, creating authentic Japanese experiences for the visitor. Organised by Japan Creative Centre and co-sponsored by Japan Foundation and JIDPO, this exhibition will provide an insightful look into the extraordinariness of Japanese design.
