☆ HISTORY OF MANGA

See the evolution of manga from post-WWII period to the present day through the works of established authors and major manga titles.

☆ ANIME & MANGA GALLERY

Check out the extensive range of anime & manga genres out there such as "adventure", "girls' collection", "science fiction" and "fantasy".

☆ ANIME ILLUSTRATIONS

Members of the Organisation of Illustrators Council (OIC) Singapore, in collaboration with Animax, will showcase their creative works of anime illustrations. These illustrations are inspired by several of the major anime titles in the exhibition.
