

## Talents Tokyo 2018 Call for Entries

Talents Tokyo 2018 (TT2018), the Asian talent development and networking platform for film, will take place from November 19 (Mon) to November 24 (Sat), 2018 during the 19<sup>th</sup> TOKYO FILMeX.

Between twelve and fifteen successful “Talents” (participants) will have the opportunity to work on their own film projects and build networks among young filmmakers and film professionals throughout the 6-day workshop.

Talents Tokyo also continues to encourage its alumni to materialize their film projects through the *Next Masters Support Program*.

Talents Tokyo looks forward to receiving the entries from young filmmakers and producers.

\*Talents Tokyo is a talent development program derived from Berlinale Talents, which takes place as part of the Berlin International Film Festival. It started in 2010 with aims for fostering Asian film directors and producers with talents to be great masters of future generation. The project brings promising filmmakers together in Tokyo to help them network with other participants and industry experts through lectures and joint reviews given by film professionals and screening at TOKYO FILMeX.
