

Japan Creative Centre Opening Event
A LECTURE BY TOSHIYUKI KITA

GOOD DESIGN & THE POWER OF DESIGN

MONDAY. 16 NOV. 2009, 3.00–6.00 PM

Design is influential to the industrial economy and affects everyday life. Design is immensely important and is a powerful tool for cultural, social and economical developments today. What is the power of design in this era?

Toshiyuki Kita, world-renowned Japanese industrial designer, will be sharing some of his experiences and will touch on the changes and developments in design in the next era.

Please RSVP by Friday, 6 November to:
