

JAPAN GOOD DESIGN

JAPAN CREATIVE CENTRE, SINGAPORE OPENING EXHIBITION

Japan Creative Centre is happy to present its opening event, the Japan Good Design Exhibition. Featured in this exhibition, rarely seen outside of Japan, are specially selected products which range from robots, furniture, electronic gadgets and everyday items that have been conferred the G-Mark Good Design Award. Nominees for this award are showcased in the Good Design Expo in Japan, which attracts an annual average of 40,000 visitors. This exhibition produced by renowned industrial designer, Toshiyuki Kita, is held at Japan Creative Centre, specially designed to incorporate current Japanese design ideals, creating authentic experiences for the visitor. Get inspired by the impact of extraordinary Japanese design on the quality, enjoyment and appreciation of life.
