3 August 2018 (Fri) at 7pm (Registration starts 6:30pm)

Festive Arts Theatre, Our Tampines Hub
#02-A2, 1 Tampines Walk Singapore 528523

Film Synopsis

Taeko is a 27 year-old working adult in Tokyo, who is on a vacation trip to the countryside and staying at a farm owned by her relatives. On her way, she travels mentally back to her tenth year. In a series of flashbacks to her school days, Taeko recalls the events that shaped her life. At the same time, the present day Taeko longs for a change from her humdrum existence in Tokyo. At the farm, she finds herself attracted to an earnest young farmer.

As the story moves back and forth between the two stories, what unfolds is a sensitively developed inner dialogue with the past. Set against lovingly and beautifully rendered scenes of rural Japan, Only Yesterday is both a voyage of self-discovery, and a commentary on some of the things that have been lost in the human rush towards progress and prosperity.

Colour / 1991 / 119 min / DVD / Japanese audio with English subtitles / Studio Ghibli
