

Kizuna(Bond) Project 2013

Thoughts Before Trip

A decorative illustration of a dark brown branch with several pink cherry blossoms, some fully open and some as buds, extending from the top right corner towards the center of the slide.

- Discourage by friends
 - Untrustworthy information found online
- 
- A series of small, pink cherry blossoms arranged in a vertical line along the right edge of the slide, starting from the middle and extending towards the bottom.

Trip Experiences

- “Great East Japan Earthquake / Damage and Recovery” by Dr. Tatsuya Nogami.
